

10-Frame Double Deep Arrangement

Late Fall - Early Winter

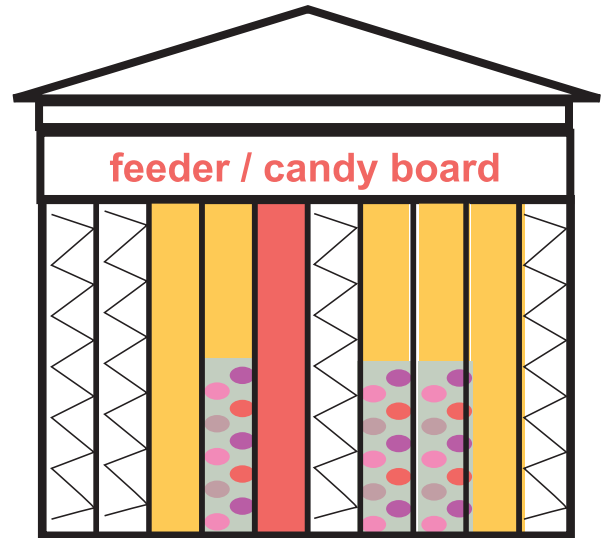

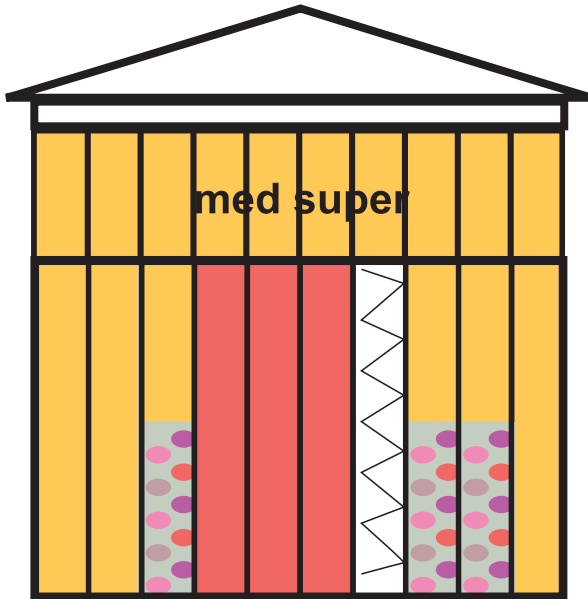

Leave one empty *drawn* frame in center for early spring brood laying, as you may not have weather that permits breaking a cluster without harming colony. **Add candy board on right hive for insurance.**

10-Frame Single Deep Arrangement

Late Fall - Early Winter

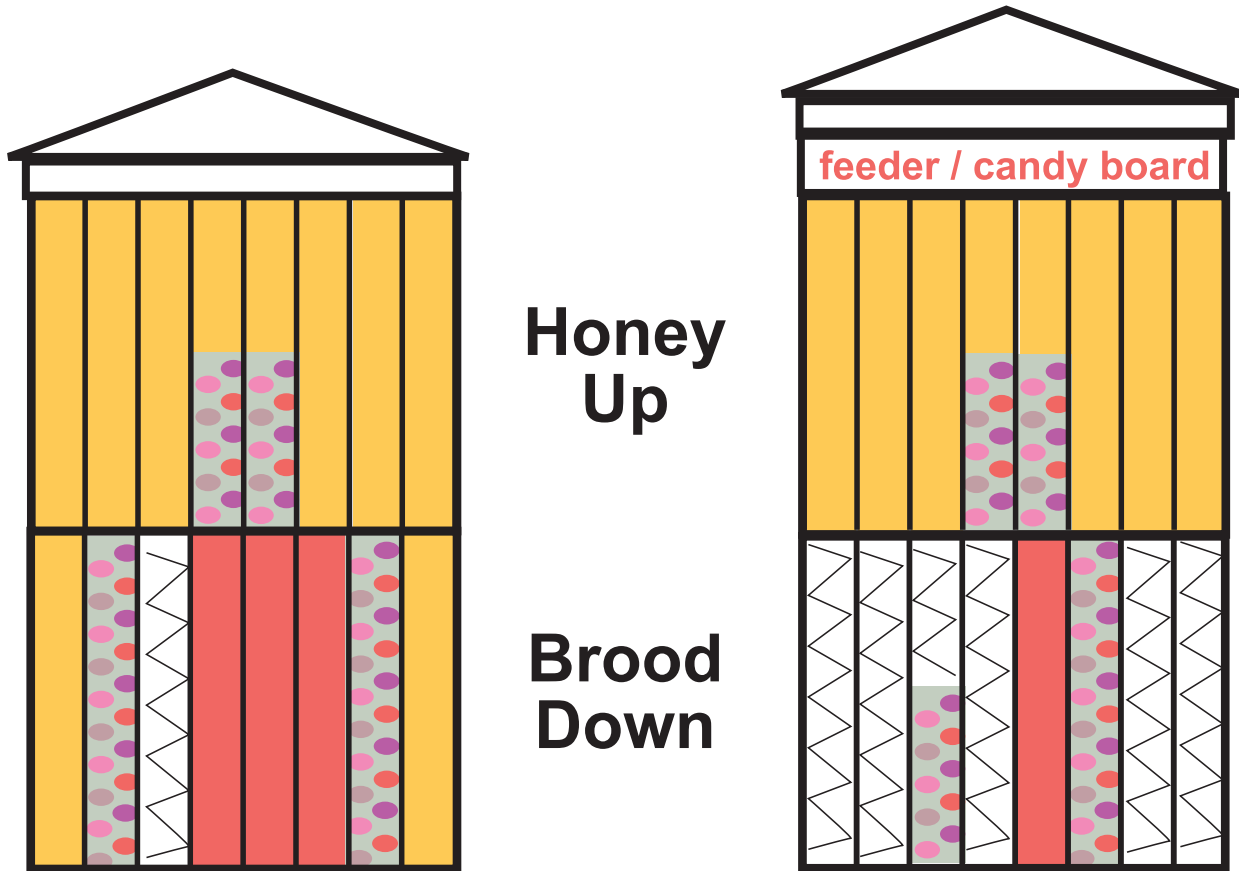

Leave one empty *drawn* frame in center for early spring brood laying, as you may not have weather that permits breaking a cluster without harming colony. **Add candy board on right hive for insurance.**
